

**Thank you for your interest in becoming an affiliate. I love designing fonts and hope that as an affiliate, you will not only be able to help me share this with a wider audience but make some money as well.**

**The platform that I sell my digital products on is Gumroad.com. To become an affiliate, you will need an account with Gumroad. You can get an account for free. I have some links below on the affiliate program and information on Gumroad in general.**

**For all my affiliates, you will receive 35% from the sale if bought using your link. Gumroad also takes off an additional 8.5%. So if the product is \$10, you would receive about \$2.65.**

**Once you have created this account, please email me at [rob@robgdesign.com](mailto:rob@robgdesign.com). In that email, just let me know what email is connected to your Gumroad account. I can create an affiliate link to this account. Also, let me know what product(s) you want to be an affiliate for. My Gumroad link is below. Please let me know if you have any questions!**

**Sincerely,**

**Rob G**
